

NEXUS RESORT AND SPA KARAMBUNAI SUPPORTS EARTH HOUR

#Connect2Earth

Sabah, 30 March 2019 - Nexus Resort & Spa Karambunai joined millions around the world in observing Earth Hour . Staff switched off non-essential lights and also dimmed them in public areas such as restaurants. Non-critical heating and music was also turned off in the hotel’s lounge and restaurants. In the weeks leading up to Earth Hour, the resort had actively promoted the event and encouraged guests’ participation through in-room messages as well as posters in public areas.

On the day itself, guests were given the opportunity to take part in various activities such as Recycled Plant Potting, Up-Cycled Drum Circle followed with a beach campfire where guests were entertained with local Murut and Kadazan dance & activities. All guests had the privileged to pledge their support to Earth Hour by lighting a candle for Earth. These additional activities created memorable experiences for guests while bringing awareness to global sustainability issues.

“Nexus Resort & Spa Karambunai takes pride in pledging our collective support for Earth Hour this year,” said General Manager Mohammad Irwan Goh. “We recognize the important role we have as a corporate citizen to protect the environment especially with preserving our planet and its resources. “Our participation in Earth Hour reflects our commitment to achieve overall operational and business sustainability,” he added.
